We continue to adjust our business to the current homebuilding environment by reducing our homes under construction and our owned lot position, controlling costs and repaying debt.

"We have generated positive cash flow from operations in each of the past ten quarters, and we will continue to focus on maintaining our strong liquidity position and balance sheet. We plan to generate positive operating cash flow in fiscal 2009, in addition to the cash provided by any federal income tax refunds."

The Company will host a conference call today (Tuesday, February 3rd) at 10:00 a.m. Eastern time. The dial-in number is 800-374-9096, and the call will also be webcast from www.drhorton.com on the "Investor Relations" page.
