

D.R. HORTON AND FORESTAR ANNOUNCE PRELIMINARY MERGER CONSIDERATION ELECTION RESULTS

09/28/17

ARLINGTON, Texas & AUSTIN, Texas--(BUSINESS WIRE)-- D.R. Horton, Inc. (NYSE: DHI) ("D.R. Horton"), America's Builder, and Forestar Group Inc. (NYSE: FOR) ("Forestar") today announced the preliminary results of the elections made by Forestar stockholders regarding the form of merger consideration they wish to receive in connection with D.R. Horton's pending acquisition of approximately 75% of the currently outstanding shares of Forestar pursuant to that certain merger agreement by and among D.R. Horton, Forestar and Force Merger Sub, Inc. (the "merger agreement").

As previously announced, the cash and stock elections will be subject to proration and adjustment procedures, as set forth in the merger agreement. Subject to those proration and adjustment procedures in the merger agreement, common stockholders of Forestar had the option to elect to receive, for each share of Forestar common stock held, either (i) an amount in cash equal to \$17.75 (the "cash consideration") or (ii) one new share of Forestar common stock (the "stock consideration"). As previously announced, the deadline for making this election was 5:00 p.m. Eastern time on September 27, 2017 (the "election deadline").

Based on available information as of the election deadline, the preliminary election results were:

- Holders of 38,259,107 shares of Forestar common stock, or approximately 91.23% of the outstanding shares of Forestar common stock, elected to receive the cash consideration (which includes 5,689,880 shares that made elections pursuant to guaranteed delivery procedures) (the "cash election shares").
- Holders of 4,260,068 shares of Forestar common stock, or approximately 10.16% of the outstanding shares of Forestar common stock, elected to receive the stock consideration (which includes 266,739 shares that made elections pursuant to guaranteed delivery procedures) (the "stock election shares").

Because the number of shares subject to elections above (42,519,175 shares) exceeds 41,938,936 shares, which was the number of shares of Forestar common stock outstanding as of the close of business of September 27, 2017, it appears there are duplicative elections made pursuant to guaranteed delivery procedures. These duplications will be eliminated in the final results.

The foregoing results are preliminary only, and final certified results are not expected to be available until shortly before closing. Based on the preliminary results described above, cash elections are expected to be received with respect to more than 75% of the shares of Forestar common stock outstanding immediately prior to the merger and stock elections are expected to be received with respect to less than 25% of the shares of Forestar stock outstanding immediately prior to the merger. Therefore, the stock election shares and any shares with respect to which an election was not made prior to the election deadline are expected to be converted into the right to receive the stock consideration, and the cash election shares are expected to be converted into the right to receive a combination of stock consideration and cash consideration pursuant to the terms set forth in the merger agreement. After the final results of the merger consideration election process are determined, the final allocation and proration of merger consideration will be calculated in accordance with the terms of the merger agreement.

A press release announcing the final election results and merger consideration will be issued after the final consideration is determined.

The parties are awaiting the approval of the proposed merger by Forestar stockholders at a special stockholder meeting to be held on October 3, 2017. Forestar stockholders are encouraged to vote their shares if they have not already done so. In addition to the receipt of Forestar stockholder approval, the transaction remains subject to other customary closing conditions. As previously announced, the parties currently expect to close the merger on October 5, 2017.
